ABOUT THE CALIFORNIA MARITIME ACADEMY:
The California Maritime Academy is a specialized campus of the California State University (CSU) system serving a student population of approximately 950. The campus, situated on the shore of the Carquinez Strait 30 miles northeast of San Francisco, currently offers baccalaureate degrees in Mechanical Engineering, Facilities Engineering Technology, Marine Engineering Technology, Marine Transportation, Global and Maritime Studies, and Business Administration. A Master of Science degree in three areas of Transportation and Engineering Management is offered.

MAJOR RESPONSIBILITIES:

Treatment: Provide a full range of outpatient dermatologic care to Cal Maritime students, including basic and some augmented diagnostic and treatment services.

1. Examine, diagnose and treat general dermatologic problems.
2. Evaluate complex dermatologic problems, order tests as indicated; carry out special examinations based on training.
3. Provide medical consultation to staff physician, nurse practitioner, athletic trainer, as requested.
4. Provide and dispense over-the-counter and prescription pharmaceuticals.
5. Perform simple office procedures pertaining to dermatologic practice (skin biopsies, toe nail removal, wound care, suturing, liquid nitrogen application).
6. Refer patients to community consultants and other medical facilities for dermatologic problems beyond the scope of services of the SHS and provide follow-up care as appropriate.

Education and Consultation: Provide health education and participate in teaching activities.

1. Provide individual health education and counseling to students.
2. Keep current through continuing medical education programs.
3. Provide instruction and consultation to medical providers at the Student Health Services (SHS).

Administration: Participate in Quality Improvement and other administrative activities.

1. Participate in Practitioner Peer Review with other Dermatologists in the CSU SHS's and Quality Improvement activities.

SPECIAL REQUIREMENTS:

1. Must successfully complete a background investigation including fingerprinting.
2. Regular contact with blood, blood products, and bodily fluids, as well as communicable diseases.

3. Some contact with physical and chemical hazardous materials, such as liquid nitrogen, TCA, etc.
4. Routine exposure to needles and sharp objects.
5. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

MINIMUM QUALIFICATIONS:

1. M.D. degree and possession of a current and valid professional California license; possession of DEA number; compliance with continuing education requirements; BLS certification; BC or BE in Dermatology.
2. In accordance with Executive Order 943, be Board Eligible or Board Certified, and maintain board certification, including re-certification (if necessary by discipline) is required.
3. Possession of knowledge, skills and abilities required for the specialty practice of dermatologic medicine in an outpatient setting. Knowledge of CSU Executive Order and CMA SHS Policies and Procedures.

DESIRABLE QUALIFICATIONS:
Ability to perform all office procedures, including but not limited to those outlined in description of duties.

SALARY: $500 per day (commensurate with experience).
