

Admission Information

In this section you will find information and forms that you must complete to finalize your admission at Cal Maritime. More admission offers are made than the number of available spaces because applicants typically apply to more than one school.

Below is a list of forms that need to be completed and returned **by MAY 1, 2010 in order to save and secure your space at Cal Maritime**. If you receive your acceptance letter after May 1, the following forms and deposit are required within three weeks of your acceptance.

Late deposits and forms may be returned due to lack of space.

Required Information for the Office of Admission:

- Signed Admission Acknowledgement Form and Non-Refundable Deposit
- All required health documents completed and signed by a licensed physician. **Please note that, while this saves your space, your acceptance is not finalized until you have been medically reviewed and cleared by the Cal Maritime Health Review Committee.**
- Supplemental Information Form
- Photocopy of Valid Passport or Receipt of Passport Application (see below)

Please use the enclosed envelope to return the health forms to:

**Cal Maritime Student Health and Wellness Center
200 Maritime Academy Drive
Vallejo, CA 94590**

Please use the enclosed envelope to send all other documents to:

**Cal Maritime Admission Office
200 Maritime Academy Drive
Vallejo, CA 94590**

PASSPORT

A passport will be required of every student several months prior to his or her first cruise.

If you already have a valid passport, please send us a photocopy of your passport by May 1st or within three weeks of acceptance if after May 1st.

If you do not already have a passport or your passport is expired, you should apply for a passport as soon as possible—visit www.travel.state.gov to find out how to apply for or renew a passport. After you have applied for a passport or a renewal, please send us a photocopy of your application for passport showing your date of application. You do not need to have your passport before starting classes at Cal Maritime, but you must show us proof of submission of your passport application.

If you are a Naturalized Citizen or Permanent or International Resident:

Please send a copy of your Naturalization Document along with your passport. If you are a Permanent Resident, send a copy of your passport and a copy of your Permanent Resident card (green card). If you are an International Resident, send a copy of your passport.
