

BEAR'S TALE

SATURDAY, JUNE 19:1, 2004

AT SEA

NOON POSITION

Latitude:	18° 56.0' N
Longitude:	153° 30.0' E
Avg. Speed:	18 KTS
Distance to Go:	1704.1 NM

- **Advance Clocks One Hour this evening to +12, retard clocks 24 hours to June 19.**

Weather Forecast

Conditions should improve as the barometer continues to rise, bringing fairer weather to sunbathers and celestial navigators. However, make sure your beach towel is well anchored, and any loose papers are safely stowed away, as the current windy weather should continue thru noon tomorrow.

Cadet Meteorologist
I M McVey

From the Captain

Meeting at 1830 for all Senior Deck Cadets in the Bowditch Classroom.

Welcome Aboard the TSGB

Kathy Kaiser, CSU Board of Trustee member and Professor at CSU Chico. Dr. Kaiser will be sailing with us to Honolulu.

Stair Tower # 2

Will be closed from 2000-2400 for waxing. Sorry for the inconvenience.

Captain's Mast

Sunday, June 20 at 1830. Meet in the Miller Classroom, Khaki Long Uniform.

From the Celestial Coordinator:

1. All cadets are eligible to begin the STCW test-out immediately. Ensure you have read and understand the test-out procedures as printed.
2. As a reminder, three test-out opportunities is all that is allowed for each competency.
3. Program requirements for completion of the celestial program are independent of the early test-out for STCW."

AGB 440 Students

Please pick up the final course memo from the envelope outside of the ship's office. It includes information regarding thank you letter(s) and your final course report. Call Prof. Cochran at 3306 if you have any questions.

Our TSGB Japanese Exchange Professors

Meet Yasuhiko Semba

Traveling on the TSGB from Okinawa. Mr. Semba received his graduate degree in engineering from the Tokyo University of Mercantile Marine. He currently holds a Chief Engineer license for steam, diesel or gas turbine. His current position is Chairman of Faculty of Engineering at the National Institute for Sea Training in Japan. Mr. Semba is married and has two son, his hobbies are running, hiking, scuba diving and playing the “didjeridu”.

Meet Naoyuki Takagi

Sailing with us to Honolulu, “Yuki”, as he is known, is a Professor of Maritime English at the Tokyo University of Marine Science and Technology. He has lived in the U.S.A. for 7 years and holds his Ph.D. in Cognitive Psychology from UC-Irvine. Onboard the TSGB to study authentic Maritime English, Yuki is from the same university in Japan as Cadets Ikejiri, Ito and Ogawa.

TSGB-BS by Al McLemore

What are the names of the three previous GOLDEN BEARS?

- 1st USS MELENA
- 2nd SS DEL ORLEANS
- 2nd USS CRESCENT CITY
- 3rd USNS MAURY

How many different countries has the TSGB III visited? (answer tomorrow).

Father’s Day is Sunday, June 20

The “Follow the Voyage” website will be posting greetings to Dad on both Saturdays and Sunday. Photos will be taken at 1700 each day on steel beach. Please organize a group and make a sign.

A photograph of all onboard TSGB faculty and staff Dad’s will be taken (tomorrow), June 19:2 at 1800 on the Quarter Deck.

Iridium Phone Cards can be purchased in the Pirate’s Cove to phone home.
