ABOUT THE CALIFORNIA MARITIME ACADEMY:

The California Maritime Academy is a specialized campus of the California State University (CSU) system serving a student population of approximately 925. The campus, situated on the shore of the Carquinez Strait 30 miles northeast of San Francisco, currently offers baccalaureate degrees in Mechanical Engineering, Facilities Engineering Technology, Marine Engineering Technology, Marine Transportation, Global and Maritime Studies, and Business Administration. A Master of Science degree in three areas of Transportation and Engineering Management is offered.

MAJOR RESPONSIBILITIES:

The Lieutenant is the commander of the Police Services' Patrol Division and Emergency Preparedness and provides leadership, management and motivation. The Lieutenant is responsible for all patrol related functions of the Police Department, including the department's community policing and problem solving policing initiatives, crime prevention and education programs, Student Assistants, and special event scheduling. Incumbent ensures follow-up to criminal complaints and investigations; oversees Building Monitors, Cal Maritime Emergency Response Team (CMERT); and assists the Chief of Police with the planning, organizing, and directing of other aspects of the department's administrative operation.

Patrol Operations

Leadership

Ensures that the Department operates in a philosophy of community oriented policing; ensures there is excellent, respectful customer service from all employees; builds effective strategic alliances internally and externally; provides direction to employees regarding rules, regulations, orders, policies/procedures, appropriate use and care of Department equipment, supplies and facilities; and assumes command of the Department in the Chief's absence.

Field Support

Supports high visibility patrols and presence 24/7 within the University; coordinates investigative activities and assumes leadership role during a major event.

Emergency Management

Coordinates training of campus community on the Standardized Emergency Management System (SEMS) and National Incident Management System (NIMS) compliant campus plan and maintains training records; manages Building Monitors and CMERT Groups and supports the Emergency Coordinator working group; ensures compliance with Chancellor's Office Emergency Preparedness Executive Order and maintains Emergency Operation Center equipment consistent with SEMS, NIMS, and Incident Command System (ICS) guidelines.

Administration

Police and Project Management

Ensures compliance by staff of University and Department regulations, creates and implements long/short term goals; manages the Department's policy development project, ensures follow-up to criminal complaints/investigations and manages law enforcement grants.

Community Oriented Policing

Manages the Department's crime prevention and community oriented policing programs and participates in presentations and outreach to promote public relations and awareness about safety, security and emergency preparedness.

Training

Manages the department's Field Training Program; develops, coordinates and provides on-the-job training to assigned staff and the University community; and ensures staff meets all training requirements established by the Police Officer Standards and Training (POST) and department policy.

Other Administrative Tasks

Directs the planning, staffing and scheduling of resources to meet unit and shift responsibilities; assists with the recruitment of new employees and coordinates background investigations; completes performance evaluation reports and provides guidance and counseling as required.

SPECIAL REQUIREMENTS:

The finalist must successfully complete the interview process, including but not limited to an oral interview, a written exercise during the testing process, Chief's interview, background investigation, medical, and psychological exams. The Lieutenant is expected to work rotating shifts, weekends and holidays, be on-call 24-hours a day, and may be required to work weekends and/or after normal business hours. The Lieutenant must be able to obtain and maintain a Transportation Worker Identification Credential (TWIC) card in order to work aboard the training ship.
