

POWER OF 8'S

With the Power of 8 system a group of eight (8) students can apply to live together on the same floor in Lower Residence Hall. ONE group application needs to be submitted by the due date.

Any group with less than eight students will not be considered. To apply for a Power of 8, simply submit an application form by the due date for review. Power of 8's will be granted based on conduct record, contribution to Housing community, and the combined point value of all the members of the group. Each member will be awarded a point value based on their current class standing (graduation year) with seniors being given 4 points, juniors 3 and so on. The groups with the highest total will be awarded a Power of 8. On your Power of 8 application you will need to pick your top 3 floor choices to live. If granted Power of 8 you will not need to attend the room selection meeting. Those groups being denied a Power of 8 will be notified in advance so that members can choose an alternate housing option and will need to attend the room selection on Monday 3/29/10 (Juniors/ Seniors) and Tuesday 3/30/10. (Sophomores).

How does the Room Selection Process Work?

Room Selection will take place on Monday, March 29th beginning at 5pm in the Upper Residence Hall Lounge. The housing option you choose and your class standing will determine which time you register for housing. In some cases a point system will apply.

Room Registration is based on class standing. Class standing refers to your anticipated year of graduation when you entered CMA. This DOES NOT refer to corps change over.

6:00- 7:00pm Class of 2012 registration

Tuesday, March 30

Specialty Housing Options

Single Rooms

Anyone desiring a single room next year **MUST** complete a Single Room Application Form. This includes those residents who currently reside in a single room. Application forms will be available in the Housing Office in URH and in the Student Center. You are **NOT** allowed to squat a single room. There are a limited number of designated single rooms on campus, therefore single rooms will be granted based on current class standing, conduct record, and contribution to the Housing community. All applicants will be contacted prior to room selection via email and notified of their status. If approved for a single room, applicants will automatically be assigned the room chosen on their application form provided that room is still available. In the event that applicants of equal class standing apply, a lottery will be held to determine who shall receive a single room and first picks. Class standing is based on anticipated year of graduation upon entering CMA.
