CAL MARITIME

APPLICATION FOR OVERLOAD/UNDERLOAD

A normal academic load for the Fall and Spring semester is 12 to 20 units (not including cruise or co-op courses). A student wishing to enroll in more than 20 units, or 15 units if the student is on Academic Probation, must have the approval of his or her Academic Advisor and Department Chair to do so. For financial aid purposes, a student taking less than 12 units (underload) during the Fall or Spring semester is not considered a full-time student at Cal Maritime.
