

## **Fall 2009**

### **REGISTRATION DATES**

**REMINDER:** Enrollment appointments have been scheduled during the daytime hours, rather than evening hours.

All students currently enrolled in the Corps of Cadets have been assigned an “enrollment appointment”, which is a specific day and time that a student can **start** the registration process. **It is critical that each student view their “enrollment appointment” ONLINE as soon as possible to see their “start time”.** Students can begin registering for classes only at the start of their enrollment appointment.

Prior to registering, please refer to Cal Maritime Class Priority Guidelines for information regarding Class Requisites.

#### **Priority Registration** *(April 15<sup>th</sup> through April 17<sup>th</sup>)*

**CLASS OF 2009, 2010 \***                      Wednesday, April 15<sup>th</sup>, see Enrollment Appointment for start time\*\*  
(students who enrolled Fall 2006 or prior)

**CLASS OF 2011 \***                              Thursday, April 16<sup>th</sup>, see Enrollment Appointment for start time\*\*

\* Class is determined by the Student Records Office based on entry date (or date of readmission), not the student’s academic level or when the student expects to graduate. Students who anticipate graduating early must register with the class they entered with. No exceptions to this policy will be made.

\*\* Enrollment Appointment start times are randomly assigned by a batch process in PeopleSoft. Students may not request a change to their enrollment appointment.

Regular registration begins on Monday, April 20<sup>th</sup>, and ends Friday, May 1<sup>st</sup>. However, you are encouraged to register at the start of your enrollment appointment to avoid scheduling problems.

*(Avoid a **\$100 Late Registration Fee** by registering for courses no later than May 1<sup>st</sup>)*

#### **Late Registration (\$100 late fee will be charged)** *(May 4<sup>th</sup> through September 14<sup>th</sup>)*

All continuing cadets are encouraged to register for the Fall 2009 semester no later than Friday, May 1<sup>st</sup>. Otherwise a **\$100 late registration fee** will be applied to your fee balance.
