## 1. Capital Campaign Presentation (VP Ortega)
- 8 Year campaign ($40 million = goal)
  - So far, at about $31-$32 million
  - Thinking of raising the goal (sending out a survey)
- A lot of this money comes from vessels
  - Hasn’t reached it’s full potential
- Going to start allocating funds to different campaign priorities
- Some gifts are ear-marked for specific purposes
- Would like to combine this w/ strategic planning efforts
- Planning to offer fundraising training
  - Company will come to campus
  - We can customize the training to fit Cal Maritime’s unique needs
  - Can invite anyone we choose w/ no extra cost
  - Encourage any and everyone to participate (it can only help)
- Packet provided w/ timeline and outline of training possibilities
- We’d like to break through the culture of suspicion and mistrust regarding Foundation/Advancement funds
  - These funds are to help drive the mission of the campus
  - Keep things transparent and inclusive

Any questions or concerns – contact VP Ortega: rortega@csum.edu (x. 1037)
