	1. Capital Campaign Presentation (VP Ortega)			
	 8 Year campaign (\$40 million = goal) 			
	- So far, at about \$31-\$32 million			
	 Thinking of raising the goal (sending out a survey) 			
	A lot of this money comes from vessels			
	 Hasn't reached it's full potential 			
	 Going to start allocating funds to different campaign priorities 			
	Some gifts are ear-marked for specific purposes			
	 Would like to combine this w/ strategic planning efforts 			
	Planning to offer fundraising training			
	- Company will come to campus			
	 We can customize the training to fit Cal Maritime's unique needs 			
	 Can invite anyone we choose w/ no extra cost 			
	 Encourage any and everyone to participate (it can only help) 			
	 Packet provided w/ timeline and outline of training possibilities 			
	 We'd like to break through the culture of suspicion and mistrust regarding 			
	Foundation/Advancement funds			
	 These funds are to help drive the mission of the campus 			
	 Keep things transparent and inclusive 			
	Any questions or concerns – contact VP Ortega: <u>rortega@csum.edu</u> (x. 1037)
