CAREER SERVICES

Career Services

Career Services seeks to complement the academic mission of Cal Maritime by educating and empowering students to take ownership of their professional development as lifelong learners; while functioning successfully in a global society.

- In partnership with ***students and alumni***, career services will facilitate career exploration, career decision-making, and provide guidance towards career selections.
- In partnership with ***faculty and university staff***, career services will provide information, programs, and consultations to help address the career-related needs of students.
- In partnership with ***employers***, career services will maintain and develop new relationships that align with the employment/career needs of students and alumni.

- Career Fairs
- Company Presentations
- Panel Discussions
- One-to-One Counseling
- Alumni Connections
- Career Conversation Series
- Workshops
- Virtual Interview Prep
- Career Mapping
- Services for Life

CAL MARITIME

Student Health Center Services

- No Co-pays. All students can use the Student Health Center at no cost. Services are included in Student Health Fees.
- SHC carries many medications both prescription and over the counter for most common conditions at no cost.
- Xray services are provided at an off-site facility at no cost.
- Counseling services are available at no cost.
- Flu vaccines are available annually.

Mandatory Health Insurance

- All Students are required to have Health Insurance to attend Cal Maritime.
- Students are automatically enrolled in and billed for the campus endorsed health insurance plan. If you have your own health insurance you will have the opportunity, annually, to waive the campus plan.
- For more information on the campus health insurance please visit our Health Center pages under Cadets on the Cal Maritime Website or aetnastudenthealth.com
