What is EOP at Cal Maritime?

Cal Maritime EOP (2015-2020)

GOALS:

- **Academic Success** - to aid EOP students in setting & meeting educational goals through intensive mentoring, individualized advising, & direct academic support
- **Personal Development** - to provide opportunities for EOP students to develop soft skills, habits, & strategies relevant to autonomy & personal success in college & beyond
- **Strength in Community** - to develop a sense of belonging & social engagement among EOP students within the broader campus by creating a dynamic, supportive, & structured community
- **Access & Advocacy** - to alleviate barriers to matriculation, retention, academic success, & degree completion by providing cross-campus advocacy for EOP student needs, financial assistance, & a centralized resource for support as students develop the self-efficacy necessary to overcome personal & educational barriers
