
Thank you for using DocFind[®] and requesting this printer-friendly view of your search results. This provider list reflects the search criteria you selected. Your search criteria are shown at the top of the first page, and include your health plan, the requested provider type and your specific geographic choice.

Provider information contained in Aetna's online directory is updated 6 days a week. This excludes holidays, Sundays, or interruptions due to system maintenance, upgrades or unplanned outages. Please check with the provider before scheduling your appointment to confirm he or she is participating in Aetna's network. The availability of any particular provider cannot be guaranteed.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna.

Provider may participate with Aetna through an agreement that Aetna has with a vendor. The provider may not be directly contracted with Aetna, and, consequently, not credentialed by Aetna. Providers available through these vendors are only subject to the credentialing requirements, if any, of the vendor.

^ The Choose and Save icon ^ identifies hospitals that provide quality care and have a history of providing services at more affordable costs to Aetna as compared to other network hospitals in the market. You can also find doctors who are likely to send patients to Choose and Save hospitals when they need care.

If you should have any questions, contact Aetna Member Services via the member services phone number located on the back of your id card. Please see DocFind online for additional information about these and other providers.
