

2020-2021 PARENT INCOME & EXPENSE FORM

The income you reported on the FAFSA does not appear to be sufficient to cover basic living expenses (housing, food, etc.) for the number of people listed in the household.

To better understand your financial situation, use this form to provide information about any resources or benefits received in 2020. This may include items that were not required to be reported on the FAFSA or other forms previously submitted to our office and may include such things federal veterans education benefits, military housing, TANF, and social security benefits.

The intent is to establish how your family is being supported by the income reported on the FAFSA.
