The Financial Aid Office has established Satisfactory Academic Progress (SAP) policies for financial aid applicants in compliance with federal and state regulations. Regulations require both qualitative and quantitative measurements. If you have been notified that you failed to meet the SAP requirements, a hold has been placed on your financial aid file and you are not eligible for federal and state financial aid for 2019-2020.

You may submit an appeal if you believe you have extenuating circumstances that impacted your ability to successfully complete your coursework. The SAP policy can be found by visiting https://www.csum.edu/web/financial-aid/financial-aid-policies.
