2015-2016 HIGH SCHOOL COMPLETION STATUS

Your 2015-2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The Cal Maritime Financial Aid Office is required to confirm the information regarding your high school completion status reported on your FAFSA.

Provide one of the following documents that indicate your high school completion status when you will begin college in 2015-2016. Check the appropriate box below regarding verification of your high school completion status.

☐ A copy of your high school diploma.

☐ A copy of your final official high school transcript that shows the date when the diploma was awarded.

☐ A copy of your General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate.

☐ For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.

☐ An academic transcript that indicates you successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.

☐ If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of your credential.

☐ If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by your parent or guardian, that lists the secondary school courses you completed and documents the successful completion of a secondary school education in a homeschool setting.

If you are unable to obtain the documentation listed above, please contact the Financial Aid Office.
