

Financial Aid Information California State University Maritime Academy

Who is Eligible for Financial Aid?

Almost anyone who needs financial assistance to attend California State University Maritime Academy may receive financial aid - all students are encouraged to apply. Students apply using the Free Application for Federal Student Aid or FAFSA at www.fafsa.gov.

These are the basic eligibility requirements for financial aid:

- be a U.S. citizen or eligible non-citizen;
- be registered with the Selective Service (if required);
- be enrolled or accepted for enrollment as a regular matriculated student in a degree program;
- be making Satisfactory Academic Progress;
- not owe a refund on a federal grant or be in default on a federal education loan;
- not have been convicted of a drug related violation while receiving federal student aid.

How is my eligibility for aid determined?

The information reported on the FAFSA is used to calculate an Expected Family Contribution (EFC). The EFC is not the amount of money that your family must provide. Rather, the EFC is used as an index that colleges use to determine the amount of aid for which you may be eligible. Most federal, state, and institutional grants and subsidized loans are awarded based on financial need. Financial need is calculated as follows:

$$\begin{array}{r} \text{Cost of Attendance (COA)} \\ \text{MINUS} \\ \text{Expected Family Contribution (EFC)} \\ \text{And other resources (such as scholarships)} \\ \text{EQUALS} \\ \text{Financial Need} \end{array}$$

After subtracting the expected family contribution and other resources from the cost of attendance, the remaining amount (if any) is the eligibility for need based financial aid. If you have no financial need, you still have options for loans for which you and your parents may be eligible.

What's included in the Cost of Attendance?

The Cost of Attendance (COA) includes tuition and fees, living expenses such as room and board, books and supplies, transportation costs, and miscellaneous personal expenses. The amounts listed are estimated and are subject to change. **The Estimated Cost of Attendance listed below reflects the costs for the 2016-2017 academic year. How can I get more information about financial aid?

Information can be found on our website at www.csum.edu. You can also e-mail us at fnaid@csum.edu or call us at 707-654-1287.

Step 1: SUBMIT A FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) BY MARCH 2ND.

The FAFSA determines a student's eligibility for most federal and state grant awards, institutional aid, and federal student loans. You can file the FAFSA online at www.fafsa.gov. Our Federal School Code is **001134**. The priority deadline to submit your FAFSA is **March 2, 2017**.

The FAFSA collects information about your family's finances and household size. To making applying easier, the U.S. Department of Education had partnered with the Internal Revenue Service to create the IRS Data Retrieval Tool. Use your 2015 income tax return along with the IRS Data Retrieval Tool.

Step 2: SUBMIT YOUR CAL GRANT GPA VERIFICATION FORM BY MARCH 2ND. Cal Grant awards are state funded awards that pay your mandatory tuition for up to four years. To be considered for a Cal Grant award, students must submit a FAFSA and send a Cal Grant GPA Verification Form directly to the California Student Aid Commission. The GPA Verification Form can be found at www.csac.ca.gov.

Step 3: SUBMIT ALL REQUESTED VERIFICATION DOCUMENTS. Your FAFSA may be selected for a process called verification. If you are selected, we will notify you via email and place items on your "To Do List" located at the Student Center through your Student Portal. You will need to complete any "To Do List" items before we can award you aid.

Step 4: ACCEPT/DECLINE THE FINANCIAL AID AWARDS YOU WERE OFFERED. You will receive an email when your financial aid awards have been posted. You will be asked to accept and/or decline the awards you were offered through your Student Portal.
