Greetings!

Please accept our invitation to promote your company at our 15th Annual Cal Maritime Career Fair. We invite you to join us in the gymnasium on Tuesday, January 27, 2015 from 9:00 am to 3:00 pm. This event is your opportunity to educate students about your business, company profile, corporate culture and possible career paths within your organization. We invite you to reserve space at this event as it is a great opportunity to get your company recognized and to outreach to future employees.

The California Maritime Academy offers six baccalaureate degrees in, Business Administration, Global Studies and Maritime Affairs, Facilities Engineering Technology, Marine Engineering Technology, Mechanical Engineering, and Marine Transportation. The Academy also offers a Master of Science in Transportation and Engineering Management. We educate and train managers, engineers, and officers for our nation's maritime industries and businesses.

**Remember: Recruitment table space is limited.** If your company wishes to purchase a table in this year’s Cal Maritime Career Fair, please fax the registration forms to us as soon as possible. The completed registration forms and payment may follow in the mail. To guarantee your company priority status, we must receive your payment and completed registration forms by **Monday, December 15, 2014.**

If you have any questions regarding the registration process for the Career Fair, please e-mail Tess Luna, Career Fair Coordinator, at careerdevelopment@csum.edu, or call 707-654-1071. We hope to see your organization represented, as the main focus of the event is career exploration and company promotion.
