

SUMMER UNIFORM FITTING INFORMATION

Please read this section thoroughly and carefully. It contains important information regarding uniforms, summer fitting appointments, payment options, tailoring and pick-up.

All incoming Cal Maritime students must purchase their Initial Issue Uniforms through the Cal Maritime Bookstore. Cadets must be fitted for their uniforms during the summer months of May through July. This ensures that the cadet's uniforms are ordered, the cadets are properly fitted according to their military size, and tailored correctly in time for pick-up during Orientation in August. A \$500 non-refundable deposit is due by May 1, 2017 in order to begin processing your Initial Issue Uniform Seabag. From that deposit, \$350 is applied to the Initial Issue Uniforms and \$150 is applied to the Housing deposit.

Payment for the remaining balance of the Initial Issue Uniform Seabag is due on the day of your Summer Fitting Appointment. Your uniform fee may be covered by Financial Aid or scholarship. However, these will not be disbursed to you until the first week of classes. Without full payment of the remaining balance your uniforms cannot be ordered, tailored, or altered. This is why we strongly suggest that those who plan to use Financial Aid or scholarship for uniforms to initially pay out-of-pocket in the Summer, then reimburse themselves later with Financial Aid or your scholarship in the Fall. Please make checks payable to "Cal Maritime Bookstore." All prices may be subject to change without advance notice. For questions or for more information, please call your Cal Maritime Bookstore.

MAJOR	TOTAL PRICE* <small>*sales tax not included</small>	DEPOSIT	BALANCE DUE AT TIME OF SUMMER FITTING* <small>*sales tax not included</small>

WHO TO CONTACT

Return your completely filled out Uniform Sizing Sheet no later than May 1st to:

Cal Maritime Office of Admissions
200 Maritime Academy Drive
Vallejo, California 94590

For fitting appointments between May 1st to July 28, and anything uniform-related, please contact:

Cal Maritime Bookstore
(707) 654-1186
email: bookstore@csum.edu

SUMMER UNIFORM CHECKLIST

Uniform fitting appointments must be completed by July 28, 2017. This ensures that your cadet's uniforms are ordered and tailored correctly, and ready for pick-up by the first day of Orientation. Please contact your Cal Maritime Bookstore to make an appointment as soon as possible. Use this checklist to help you plan accordingly.

1. UNIFORM SIZING SHEET: DUE MAY 1

Attached is your preliminary Uniform Sizing Sheet. Take it to a professional tailor for measurements. It must be sent back to Cal Maritime no later than May 1st. Your Uniform Sizing Sheet is used as a reference for your uniform order so that you may be properly fitted in the Summer. Remember, your Uniform Sizing Sheet is only for reference! Military uniforms fit the body differently than casual civilian clothing. Cadets must come for a uniform fitting appointment between May to July in order to be properly fitted.

2. SUMMER APPOINTMENT: MAY - JULY

Your hour-long Summer fitting appointment ensures that your uniform fits you correctly by the first day of class in August. During the fitting we try to compensate for any growth spurts or weight changes that may happen. Also, coming in during the Summer gives us time for tailoring, alterations or striping, or to order the correct sizes that you may need. You will take home 80% of your Initial Issue Uniforms in a seabag, which are any items that do not require any tailoring, alterations, or striping. To schedule your appointment, please call your Cal Maritime Bookstore at (707) 654-1186.

3. YOUR FITTING APPOINTMENT DAY

1. Arrive ten minutes before your scheduled appointment! Fittings generally last from an hour to an hour and a half, and we are typically fully booked with back-to-back appointments.
2. Payment of the remaining balance is due on the day of your Summer fitting appointment. It can be paid either in cash, with a card, check, or through Financial Aid. Checks are made payable to "Cal Maritime Bookstore."
3. Males must arrive with the proper regulation haircut in order to be fitted properly for caps. Females must bring a hairtie in order to pull their hair in a bun for proper fitting of caps.
4. All cadets must wear a white undershirt in order to decently change in and out of the different uniform shirts, and black socks to properly fit for shoes.
5. You will be bringing home 80% of your Initial Issue Uniforms in a seabag (duffle bag). If you are traveling by air, we recommend bringing a TSA-approved lock so that your seabag is secured for check-in.

4. ADDITIONAL ITEMS

The following items are required for Marine Transportation and Engineering majors, but are not included in your Initial Issue Seabag. They are available for purchase at your Cal Maritime Bookstore.

- > garrison cap
- > 3 1/2" folding work knife
- > durable work gloves
- > black steel-toe workboots
- > watch cap
- > flashlight with red lens attachment
- > female skirts (black or khaki)
- > black wool winter sweater

PAYING WITH FINANCIAL AID

It is possible to use your Financial Aid to pay for your Initial Issue Uniforms. Please notify your Cal Maritime Bookstore that this is your intention when you call to make a Summer fitting appointment. However, because Financial Aid will not be issued until the first week of school we will not be able to tailor, alter, or order any uniforms you require until payment is rendered. We highly suggest that you pay out-of-pocket for your Initial Issue Uniforms then reimburse yourself with your Financial Aid. This ensures that we are able to process your uniform tailoring over the Summer.

OUT OF STATE STUDENTS

We very strongly recommend cadets come in for a Summer fitting appointment to ensure all uniforms are ready by the first day of Orientation. If you need exemption or special accommodations, please notify your Cal Maritime Bookstore immediately. We will not be held responsible for any delays in your uniform if you are unable to fulfill the uniform requirements for the first day of class.
