# The Platform For Global Logistics

40,000+

Brands and Suppliers  
Choose Flexport

## Take Control of Your Supply Chain

Flexport is the platform for global logistics—empowering buyers, sellers and their logistics partners with the technology and services to grow and innovate.

In 2022, companies of all sizes—from emerging brands to Fortune 500s—used Flexport technology to move nearly \$26B of merchandise.

## Freight Forwarding Made Easy

With logistics partners in more than 80 countries, companies of any size can transport goods to and from more places with greater ease and agility.

### Track Effortlessly

Get milestone updates, exception alerts, and inventory impacts at a glance for ocean, air, and land.

### Instant Collaboration

Collaborate in real time. Message suppliers, your warehouse, and other supply chain partners.

### Data-Backed Decisions

Transit time, landed costs, and container utilization are now metrics within your reach.

### One Source of Truth

End-to-end visibility and communications mean shipment details are just a click away.

## A Flexible Suite of Solutions

Flexport is a full-service digital freight forwarder and licensed customs brokerage that currently services more than 40,000 clients and suppliers in over 112 countries.

We provide global freight solutions in air, ocean (FCL and LCL), rail and trucking (FTL and LTL) across all major trade lanes and geographies.

Flexport also provides customs brokerage and trade & financial services including trade advisory, cargo insurance and trade financing.
