

PRESIDENT'S MISSION ACHIEVEMENT GRANT 2022-2023

Purpose:

The President's Mission Achievement Grant (PMAG) provides funding for faculty who seek to engage in activities that advance [Cal Maritime's strategic plan](#) and support the Academy's mission.

Awards:

Qualifying proposals may receive up to \$5,000, and are awarded annually during the Spring semester.

Funding Criteria:

Any proposal that addresses one or more of the campus strategic goals and objectives will be considered; ***however, priority will be given to those that directly support the goals and objectives of the [Academic Master Plan](#).***

Examples of qualifying proposals may include, but not limited to, the following:

- Developing new academic programming, including new degree programs, concentrations, certifications, or similar activity.
- Developing and/or expanding curriculum in current academic program offerings in order to improve current program quality.
- Conducting research on the use and effectiveness of academically related technologies and related pedagogies in the campus' instructional facilities, including simulation.
- Collaborating with national or international institutions, including other maritime universities/academies, research foundations, etc.
- Developing new pedagogies designed to improve academic performance of our cadets.
- Enhancing current curricular, co-curricular, and extra-curricular programs and activities that promote intellectual learning, facilitate leadership development, and strengthen a sensibility of global awareness.

Application Process:

Proposals are due to the Academic Support Coordinator (via email to sbrito@csum.edu) no later than May 20, 2022. The following information must be included in the proposal for full consideration:

- Application form (fillable PDF)
- A brief proposal (maximum 3 pages), written for a non-disciplinary audience that includes the following components:
 - Description of the project and the specific areas that would be funded by PMAG;
 - Description of how the project will advance one or more of the strategic objectives/goals;
 - Timeline of activity for the entire project; and
 - Assessment plan for effectiveness and impact.
- A budget proposal that includes the following components:
 - A detailed breakdown and description of costs for the whole project;
 - Requested funding amount; and
 - Matching resources, if any.
- A current *curriculum vitae* (if more than one faculty member, a *curriculum vitae* for each is required)

Review & Approval Process:

Proposals must be reviewed by the department chair(s) and approved by the pertinent dean prior to the May 20 submission date. Deans are strongly encouraged to provide supporting comments on the application. The awarding process should not exceed 30 days; therefore, the awardees shall be notified no later than June 20. All applications will be reviewed by the Provost, who will make award recommendations to the President.

**Funding Process:**

PMAG funds shall be used for expenditures identified in the proposal and shall be available at the start of the next academic year, after July 1. The process for expenditures will be detailed in the award letter.*

Deliverables:

At the conclusion of the project, faculty shall submit a written report to the Dean of the Library and Learning Services that summarizes the project, as well as an assessment of the project's effectiveness. A presentation to the campus leadership may be requested.

* All expenses should be charged against the faculty member's school or library, with approval by pertinent dean.
