- ~ **CCR 03/07-04 Substitute LIB 100 for COM 100 in the ET Curriculum.**  
The Department of Engineering Technology requested that LIB 100 Information Fluency in the Digital World be substituted for COM 100 Introduction to Computers in the Marine Engineering Technology and Facilities Engineering Technology curriculums starting in Spring 2008 for the Class of 2011. There was a question about students who transfer in a computer lab course from another school. Will they have to take LIB 100? Also, there wasn't a Science & Mathematics Dept. Chair Questionnaire attached. The committee would like Science & Mathematics to supply that form. Lui motioned that this CCR be tabled until Friday, April 13; Charlie seconded the motion. The vote was 8-Yes/0-No/1-Abstention.
- ~ The meeting was adjourned at 10:49 a.m.
- ~ The next meeting will be held on Friday, April 13, 2007, from 9:50 to 10:40 a.m. in the Faculty Conference Room.

Respectfully submitted,
