To begin your application, click on application on the top bar, then select the next academic year. Then click "Save & Continue".

This is the task bar. This shows you how far along you are when selecting your room. One must fill out all sections for an application to be considered

“complete.” You will not receive a room selection time/date until your application has been filled out.

Room Selection

Main

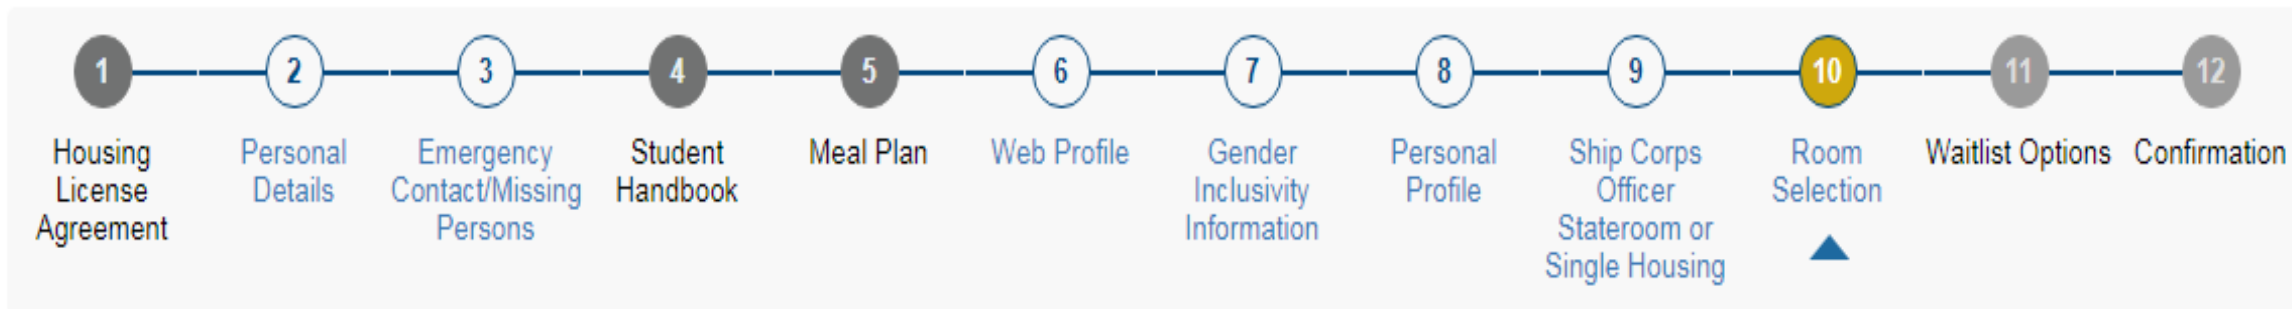

Room Search Wizard

On this page are short descriptions of the residence halls available for Continuing Students. The room rate are \$2,960 per semester (this was published rate for AY 18-19). If space allows a few weeks into the semester, you may choose to buy out your room as a single at an additional prorated cost. Please note that these housing costs are the 2018-2019 prices and they are subject to no greater than a 3% increase for the 2019-2020 academic year.

McAllister Residence Hall houses residents in double rooms with two rooms sharing one restroom. This Residence Hall hosts several common areas, two laundry rooms, and is home to the Keelhauler Cafe. McAllister has a designated 24 Hour Quiet Housing floor wing and any students selecting these rooms have agreed to adhere to a standard of quiet on a 24-hour-a-day basis. When selecting rooms on the Search Wizard page, **the building code for McAllister is MRH in the StarRez system.**

To begin the room selection process, you will need to click on the "Room Search Wizard," button in the top right corner.

Confirmation

Thank you for completing your Housing License Agreement (HLA) for the 2019-2020 academic year. The next step of the process is selecting a room. Please note that room assignments and building occupancy change throughout the summer and academic year based on number of beds available and physical space needed in the halls. Once room selection is complete, the Office of Residence Life may need to update your room assignment based on these needs and room consolidations may occur.

This is your final confirmation page, you have complete your housing application!
