

CAL MARITIME

A Campus of The California State University

JOB BULLETIN No.: 103340 – 21/22

DEPARTMENT OF SCIENCES AND MATHEMATICS
LECTURER IN OCEANOGRAPHY
PART TIME - ADJUNCT
Approximate Starting Date: August 2022

*Applicants expecting to be considered at this time must complete an online employment application and submit requested materials to Human Resources by close of business on **March 25, 2022** to receive priority consideration for the position. This position will remain open until filled.*

The BS Oceanography Program at the California State University Maritime Academy is seeking applications for **two** one-year adjunct appointments, one in **chemical oceanography** and one in **physical oceanography** beginning in August 2022. Each position will require teaching between 6 and 12 units (2 to 4 courses) per semester. We seek creative and engaging instructors ready to contribute to our hands-on program, including making use of our waterfront campus location and ocean observing technology in their teaching. Candidates would be expected to contribute to teaching lower division courses that may include introduction to marine biology / marine ecology or introduction to oceanography as well as an advanced undergraduate course in chemical oceanography, or physical oceanography. Potential additional teaching opportunities include courses in oceans and climate, undergraduate research methods, or an upper division course in the candidate's area of specialization. We anticipate hiring two full time, tenure track faculty members in chemical oceanography and physical oceanography beginning in Fall 2023. Any questions regarding this appointment please contact Alex Parker at aparker@csum.edu.

ABOUT CALIFORNIA STATE UNIVERSITY MARITIME ACADEMY (Cal Maritime): Located on a scenic waterfront campus in Vallejo, California (30 miles northeast of San Francisco), California State University Maritime Academy (Cal Maritime) is a unique and specialized campus of the 23-campus California State University (CSU) system. Serving a population of approximately 900 undergraduate and 50 graduate students, we are one of only seven degree-granting maritime academies in the United States — and the only one on the West Coast.

Cal Maritime offers seven baccalaureate degrees in Business Administration, Global Studies and Maritime Affairs (GSMA), Facilities Engineering Technology, Marine Engineering Technology, Mechanical Engineering, Marine Transportation, and Oceanography. The undergraduate curriculum includes licensing programs for future Merchant Marine, Coast Guard and Naval Reserve officers. Cal Maritime also offers a Master of Science in Transportation and Engineering Management degree. For more information about California State University Maritime Academy, please visit our web page at <https://www.csum.edu>.

Our programs focus on intellectual learning, applied technology, leadership development, and global awareness. Cal Maritime students participate in training cruises aboard the Training Ship *Golden Bear* or other international educational experiences - gaining a unique perspective on our increasingly global culture and economy. Cal Maritime is committed to being a leading educational institution recognized for excellence in the business, engineering, operations, security and policy of the transportation industries of the Pacific Rim and beyond. We are equally committed to hiring and retaining diverse and dedicated faculty and staff who lead the way in helping our students expand their knowledge and potential.

ABOUT THE DEPARTMENT OF SCIENCES AND MATHEMATICS: Our department is a collegial group of 18 faculty members – 11 tenured/tenure-track and 7 adjunct. The Oceanography major is housed in our Department. Additionally, we offer lower division, foundational science and math courses for all other majors offered at our University. We also offer a Mathematics minor as well as a minor in Oceanography.

MAJOR DUTIES AND RESPONSIBILITIES:

- Part-time (6 -12 units per semester) teaching of a variety of undergraduate courses.

MINIMUM QUALIFICATIONS:

- Ph.D. in Oceanography or related field.

DESIRABLE QUALIFICATIONS:

- A genuine passion for teaching, scholarship, and service.
- Knowledge of innovative and effective teaching methods.

SALARY COMPENSATION: Salary is commensurate with the education, qualifications and experience of the individual.

BENEFITS: An excellent comprehensive benefits package is available for qualifying positions that includes medical, dental, vision, life and disability insurances, retirement plans, fee waiver, vacation and sick leave.

SPECIAL REQUIREMENTS:

- The person holding this position is considered a ‘mandated reporter’ under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
- CSU requires faculty, staff, and students who are accessing campus facilities to be vaccinated against COVID-19 or declare a medical or religious exemption from doing so. Any candidates advanced in a currently open search process should be prepared to comply with this requirement. The systemwide policy, can be found at [CSU Covid Policy](#).

ELIGIBILITY TO WORK:

- Applicants must provide proof of US citizenship or authorization to work in the United States within three days from the date of hire.
- A background check investigation (including criminal records check) is required prior to employment. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.
- Applicants must submit upon hire official documentation as proof of degree, license, or certificates as required.

APPLICATION PROCESS: Interested parties must submit the Cal Maritime Employment Application packet of information requested below. Apply on-line at <https://www.csum.edu/hr/careers/faculty.html>

1. Cal Maritime Employment Application (required)
2. Letter of application addressing the minimum and desired/preferred qualifications.
3. CV (including current email address)
4. Copy of transcript from institutions at which terminal degree was completed
5. Names and contact information for three professional references

Cal Maritime is an Equal Opportunity, Affirmative Action Employer. The university subscribes to all state and federal regulations and prohibits discrimination based on race, color, religion, national origin, sex, gender identity/gender expression, sexual orientation, marital status, pregnancy, age, disability, genetic information, medical condition, covered veteran status, or any other protected status. Reasonable Accommodations will be provided to applicants with qualifying disabilities who self-disclose by contacting the Benefits Coordinator at (707) 654-1146.

NOTIFICATION: Based upon a review of applications and accompanying documents, only those persons whose qualifications best match job requirements will be interviewed. Applicants not selected for an interview will be notified only after the position closes and the successful candidate has been selected.
