

Your child care benefits through KinderCare Learning Centers

Health and safety measures leading the industry

As always, we're putting safety first to protect our families and staff. Here are a few health measures we're taking to keep kids safe and sound (find a complete list on the back):

- Face masks worn by all staff
- Socially distanced classrooms when possible, reserved for teachers and children only
- Children's and staff's temperatures checked daily

Help kids reconnect with friends, learning, and community

Get your kids back on track with their education after this break from traditional schooling, especially big kids up to 12 years old between school years!

- Practice skills for re-establishing routines, relationships, and independence
- Individual Learning Journeys to personalize children's lessons
- Fun and learning with friends their age in small group activities

*Not all locations offer summer programs for school-age kids (5–12). Please ask your center director for details about the summer offerings in your area.
