

Requirements for all entering students

Subject: New Hepatitis B Immunization Requirement

In July 1999, the Governor signed AB 1107 into law. Chaptered as Health and Safety Code Sections 120390, 120390.5, and 120390.7, the new law directs the California State University, effective Fall 2000, to require all first-time enrollees who are eighteen years of age or younger to provide, prior to enrollment, proof of full immunization against the Hepatitis B Virus as defined by the State Department of Health.

If you have any questions, please contact the Student Health Center at (707) 654-1170.
